

100% EMPLOYEE-OWNED

THE POWER OF EMPLOYEE OWNERSHIP

Discover the MTA Lines Difference

WHAT DOES IT MEAN TO BE EMPLOYEE-OWNED?

Employee ownership signifies a business model where employees have a genuine stake in the company's success. It's not just about financial shares but about fostering a culture where every team member feels a sense of belonging and purpose. In 2021, MTA Lines proudly transitioned to this model, as an [ESOP](#) marking a significant milestone in our journey.

WHY PARTNER WITH AN EMPLOYEE-OWNED COMPANY?

1. Invested in Your Success

Our team doesn't just work here; they own a piece of this company. This means every project, every shipment, and every client interaction is handled with utmost care and dedication.

2. Enhanced Accountability

Ownership brings responsibility. Our team takes personal pride in delivering top-notch services, ensuring that your freight needs are met seamlessly.

3. Long-Term Vision

We're not just thinking about the next quarter; we're planning for the next decade. Our strategies are designed for sustainable growth and long-lasting partnerships.

EXPERIENCE THE EMPLOYEE- OWNED DIFFERENCE

Ready to partner with a company where every team member is an owner? Reach out to MTA Lines today and discover the unparalleled benefits of working with an employee-owned freight service provider.
